Foreword

Last week's results brought a few changes to the final four. Canning after their defeat slid to third position and Kelmscott kept their chances alive by an easy victory.

Gosnells remain unbeaten with an all round team performance which proved too much for a Canning side who were weakened by injuries. Gosnells are a very strong combination and can only improve further when all their players are available.

Armada returned to the winning list when they easily defeated Kalamunda. They have some hard games coming up and cannot afford any lapses as they could lose fourth place. Kalamunda are endeavouring to build themselves a strong side and they could be big chances in 1978.

Kelmscott crushed Kwinana and are now strong contenders for the final four, and their game today is possibly their most vital of the season. Kwinana are struggling and will have to do some strong recruiting if they are to feature strongly in the competition.

Kenwick defeated Mandurah and still have some hopes for finals participation, although they cannot afford many more losses. Mandurah are disappointing, they have a number of talented players but do not seem able to put it together.

Maddington, as expected, won easily and moved into second place. Thornlie are improving and could bring their first victory for the season up today.

TODAY'S GAMES

Kelmscott v Armada The most vital game of the round Armada by 3 points.

Kenwick v Kwinana Kenwick will be too strong.

Canning v Kalamunda Canning will return to the winning list.

Thornlie v Mandurah Thornlie will be celebrating tonight.

Maddington v Gosnells Gosnell's hardest task so far and they will win.

THE HAWKS

Last Sunday the Mighty Hawks again demonstrated their strength and ability when all teams registered fine victories and provided their ardent supporters with the taste of success. Every player is to be congratulated for fine teamwork, spirit and application.

The League match provided the highlight of the season clashing against the unbeaten Tigers who before being tamed put in a determined performance. Players who excelled in the league were Jim Kidd, Norm Barratt, Mark Smyth and Trevor Williams. Today's match against Maddington is another big clash and provided we play in the same spirit we can be assured of another victory.

The Reserves team are to be commended for their handsome victory and this team is starting to put it all together and shaping into a real premiership contender. All players deserve credit for their teamwork with special mention for Greg Devine who is in great form, Des Rice outstanding, Colin Castensen ability plus, Shane Ferguson great game, Brian Lester good form, and Peter Richards who is an inspiration to all the younger players.

The Under 19's again retained their unbeaten record defeating an improved Kenwick side by twelve goals. This game will prove to be a good opener for the game against Kelmscott in two weeks time and the side should be even more improved with the inclusion of Steve Smith who has overcome his knee injury and the welcome addition of Bob Dalton who has joined us from Albany. Best players were John Wright who took off the Ampol Award followed by Jeff Pelham and Mark Taylor.

Social: Don't miss out on a ticket for the SPORTSMANS NIGHT Wednesday June 29 at Winter Court Lounge in Gosnells Hotel 7.30 p.m. — 11 p.m. tickets only \$10 each including supper and refreshments. THE BULLDOGS

Last weeks games against Kwinana highlighted the improvement that has taken place in the Bulldogs camp over recent weeks. The reserves side showed a vast improvement in their use of the ball and fast flow on football resulted in an open forward line. Best players for the reserves were Murray Hansen, Peter Lewis, John Heveron (a good first up performance— Magic foot Turner and Marion Slodecki. Congratulations to Brent Mezger for his 100th reserve game against Kwinana.

The league side, led by Brian Andrijich on his 50th game, turned on a dynamic display of football to overwhelm Kwinana with a complete team effort. This was carried into the last quarter when the Bulldogs fought out the game with a depleted side. It is hard to pick individuals out of a great team effort, but players that kept the ball moving constantly, where Kim Barratt, A. McIntosh, E. Donnes and the back line of K. Turner, S. Robertson and G. Mezger. Players and supporters were also shown some of the roving talents of a new player in Alan Griffiths.

The 18's and under played a great game of team football with all players talking and backing each other up for 100 minutes. Kelmscott went on a rampage against Thornlie kicking a good score in 25.17 to 2.5. Best players were E. Blurtton (8 goals), F. Merino (7 goals) and the ruck duo of Barry Clarke and Geoff Potter, the team has now compiled 6 wins for seven games. Today the Bulldogs play host to the Demons in what should be a great derby. It is imperative for Kelmscott to record a victory to ensure a climb up the ladder. Whatever the result, we invite the Demons to stay behind after the game and enjoy the Bulldogs hospitality.

SOCIAL: Sunday 5th — Drawing of the big 3 Lottery, Monday 6th — Fun Day for the juniors at Quarry Park Gosnells, starts at 10am all welcome. Friday June 10th — at John Dunne Hall. Players Trip Cabaret \$2 single. July 1st — The BIG 80TH ANNIVERSARY BALL at Ascot, don't be late in purchasing your tickets.

Congratulations to Mr. and Mrs. Eric Buckingham on their recent wedding, another fine Bulldog in the kennel.

THE LIONS

Nudge? Nudge?

When the odds are against us the Lions are at their roaring best, as was shown in last week's reserves match against the Bulls. Super team effort highlighted by the sure marking of Steve Vickers, true grit of Trevor Norris, experience of Grandad Miller, determination from Graham Norris and encouragement on the field from Keith Avery — an overall 200% team effort. We were beaten on the score board but not defeated on the day. A good display of umpiring in this game helped make it a great day.

In the league after a slow first quarter, players gave another fine account of themselves under the guidance of Coach Whyte and the usual backup from Captain Allan Osborne. Other better players Peter Gurney, Jim Ballantyne and Wayne Lloyd. The only thing our lighter players lack is meat on their bones — our Friday night meals will solve this.

Lions of the Week: — The "Notorious Norris" Bros. Graham and Trevor. Local guys started with the club as juniors and giving a good account of themselves in the reserves. Graham is a worker again this year on the Social Committee (with his wife Kay) and Trevor settling down with age helps with club duties. Much appreciated.

Welcome to Mandurah this week.

Happy Days.
"Keep Roaring"
Mrs. Leo.

THE TIGERS

Congratulations to the Gosnells League side on their victory over us last Sunday. They certainly uncovered a few flaws in the Tiger line-up and while our improvement from last season has been vast the fact remains that a full team effort must be produced for four quarters if our position on the league ladder is to be maintained. Nevertheless, Gosnells are undoubtedly the strongest side we have met this season and it is certainly no disgrace to be beaten on the day by them. Our players tried valiantly, at times without much luck, and certainly will look forward to redeeming themselves in the second round encounter.

John Moore and Bob Barton are expected to return to strengthen our league ranks very shortly. John today serves the last week of his period of suspension while Bob has made a speedy recovery from an ankle injury and is

THE KNIGHTS NOTES

Last week proved to be a very dismal one for both sides. It is still evident that alot of players are not fit enough to play four quarters of football and are not prepared to help their teammates to the best of their ability. This week we meet Kenwick and a big improvement will be needed to register a win in both the League and Reserves.

The seconds were slow away and allowed Kelmscott to gain an early lead. Although the game was over by half time it was heartening to see a big improvement in the last one and half quarters. Best players were Ted Riseberry Neil Roberts and Trevor Read.

In the main game, we were still in the game at half time but Kelmscott got on top in the third quarter and never looked back. Inaccuracy obviously played a large part in the difference in scores but the forward line must often wonder about the manner in which the ball gets delivered to them best players were W. Turnbull, D. McGlade and Tony Davis.

Social Notes: Congratulations to Garth and Peta Kennan on the birth of their son and to Gary and Julie Cukrov on the birth of their daughter.

Thanks go to all those who supported Cliff Read in running the bachelor's raffle.

Lets all stay behind and have a victory drink at Kenwick today.

P.S. It was interesting to note the words of Les Eyre last week but sometimes I tend to agree with the Tigers.

KING ARTHUR

expected to resume training this week.

All those holding Ball and Raffle Tickets are reminded that next Sunday is the dead-line for returning same. Monies and unsold tickets must be returned to Greg Sladden by this date.

A new design of club T-shirt has been made available and can be purchased at the ridiculously low price of \$6, See John Chaplin or Rob Hayward quickly as stocks are fast running out.

Today we meet the improved Kalamunda side with a chance to atone for last week's defeat and the possibility of our first winning double for the season, the club needs a lift at the moment and this could be just the remedy.

Today we meet Canning in what, for the League team, is a most crucial game. After seven games we have only won two despite the many new experienced players on the team. We can expect the Canning team to be formidable opponents as they have only lost one game and are undoubtedly playing with great confidence. With our latest recruits John Rose and Marty Wattle already showing their worth, our supporters can look forward to an improved performance and if the team can put it all together then there is no reason why we should not record a victory.

Last weeks game against Armadale was a little disappointing except for a purple patch in the second quarter when we ran all over the opposition and scored quick goals — A repeat of that effort will be needed for the whole game today.

The reserves should make it two in a row today as today's team will be strengthened by the return of some injured players. Last weeks win was due to a good all round team effort capped off by some unexpected, but never the less outstanding goal kicking by Hank Kramer.

Have you returned your raffle tickets? If not, then get them to Dave Kelly as soon as possible and bring all the people you sold tickets to, to the High Wycombe Hotel this Friday night for the draw.

Finally I would like to thank the Armadale club for their support at our after game social last week.

MIGHTY ROYALS

Last week at Mandurah our reserves started slowly but completely outclassed the opposition for the last 3½ quarters. They allowed Mandurah 5 goals for the first quarter and two goals for the rest of the game. It was a good team effort by the reserves and players who did stand out were Greg Narrier, playing as we all know he can, Kevin Beale, rucking well and taking many fine marks around the ground, and Ken Staines who roved well all day.

The League game was a good spectacle, with a mixture of good football and good fights. It was good to see our players using their heads and not doing anything silly enough to get reported, or sinking to Mandurah's style of football. John Risely again played a tremendous game. He used his huge frame to advantage and picked up many kicks and handballs. It was good to see Gary Worthington back to near his best. He used his speed and accurate kicking to advantage at all times. Bill Truscott

SEASIDERS

Today we travel to Thornlie to play the only side below us on the Premiership Table. This is a game we must win to show our supporters there is a chance of improvement this year. Thornlie will be breaking their necks to win their first game for the season which is going to make them more determined so it is imperative we concentrate for the full game.

There are a couple of players in our side who are lacking a little dedication and forgetting the ball is the object not the man. It's great to see our more seasoned players in Norbett Fandry, Greg Rundell, Brad Trevenen and a younger player Shane Sutton really striking form and showing plenty of gusto and determination.

In last weeks gazette the umpires in our league competition were defended by Mr Les Eyre but in the last few weeks we have had the same umpire three times and his performances have gone from bad to utterly frustrating.

Last week at home we had a disappointing day with our reserves being soundly beaten by the top side in the competition and our league side going down to a determined Kenwick side.

I hope everyone enjoyed themselves at Friday night's cabaret and a big thanks must go to all the Social Committee and lady helpers.

played a great game at full forward and it looks like he will have the job for quite some time. Kevin Dale also worked hard in the ruck and marked strongly around the ground. Thanks Garth, our statistician who does a very good job every week, we find that Alf Stal had 27 kicks, 10 marks and 5 handpasses. Graeme Nicholas had 21 kicks and he also put in a good game.

I'm sure everyone in the club offers their congratulations to Ken Tylor. Today, after a number of years in the competition, Ken has finally reached the magic 100 games. We wish him well and to all players wearing the royal blue and black guernsey today, let's all give that bit extra and take off a winning double against Kwinana to celebrate Tucker's century.

Tickets for the annual ball are now available at \$26 a double. The ball will again be held at the Ascot Ballroom on the 2nd of July. Anyone wishing to purchase tickets can do so by consulting any of the social committee.

DEMONS DIGEST

1977 65 YEARS YOUNG!

Today is derby day folks, when we travel round the corner to John Dunne Park, home of our neighbours and local rivals, Kelmscott, the Bulldogs. Winning this game you Demons, is worth more than the four points, it's local pride at stake, and we're long overdue for the honours between the two clubs. Need I say more?

Against Kalamunda last week, the league side ran out winners by 50 points (27 of them from behinds!) As I predicted, Kalamunda made us work for the win. Nevertheless, the Demons played some great attacking and defensive football. The switching of Peter "Porno" Smith to centre and Gary Greer to centre half back proved to be a master stroke. The attack became more fluent and direct, and the defence tightened up in the middle. The whole team played good, unselfish team football, and it was hard to pick the three best players because of this (this is the way we want it fellas!) If I had to pick three players they would have been Peter Smith, Gary Byrne, and John Erecg. Congratulations to the whole team.

The Reserves left their run too late to get up and win their game. If they had started straight from the third quarter they would have won comfortably. Perhaps they fell into the trap of over-confidence against Kalamunda, I don't know. The Demons did have good performances turned in for this game, particularly from Alan "Hendo" Henderson, Brian Barry and Reg Turnor. I am, and have always been impressed with the performance of Gary Cole at full back. A cool-headed character, who kicks well under pressure, a chip off the Perry Como block!

The Under 18's beat Maddington at Gwynne Park last week by some five goals. The best players for the second week in succession were Russell Stevens, David Lane, and Paul Buzzo. This win gives this side near the top spot. Keep at it you Demons!

The Under 16's also beat Maddington on their ground, by 23.23 to 2.1. I think that from the number of points kicked in this club this year, someone must have told us that we read the scores from right to left from now on! In this game Graham "Smitty" Smith proved to be the player of the match.

My apologies to Kenwick in forgetting that they were 1976 Reserves Premiers. Please note that our Reserves were 9th and not 10th in 1976.

TALK OF BULL

At last we have reached one of the top two positions on the league ladder and the feeling around the club is that we're there to stay. How we perform today against our old rivals Gosnells will have a big bearing on whether this is true or not.

Today we will take the field with possibly our strongest side of the season. The re-inclusion of several of our top footballers will help bolster the side while the "big match" feeling around the club this week should ensure that all the players perform at their top.

Conditions for last week's game again. Thornlie were perfect but the standard of football did not reach any great heights. Colin Walker and John Duthie controlled the aerial duels all day, while Steve Jancey played soundly in his first game back after injury.

With many players returning to the league side, the seconds can look forward to fielding a stronger side this week. In previous weeks, because of injuries, this side has been shuffled around and has found it difficult to settle down into any pattern of play. Players are battling hard but without much system at present.

Better players included Wayne "Horse" Langdon, Doug Bushby and Les Jarvis.

Congratulations are extended to Linda and Mila Trifunovic on the birth of their baby daughter last Saturday week.

JUNIORS: If success is gauged by the amount of games you win, then our five junior sides have not been very successful so far this season. However I feel that some very good ground work has been done in all age groups and every side is on the improve and once again this year our juniors will produce some very talented footballers. One point I would like to make however is the lack of support on match days for these kids. It appears that by the time they reach 13 or 14 they become orphans. Parents and club members please get behind your boys and give them the support they deserve. Players, let's see you getting behind your coaches and giving the game everything you've got for the rest of the season and it will be a successful one.

The juniors sub-committee is organising a bottle drive for the 12th June and all club members can help out by saving their cool drink bottles for that day.
